CONTACT INFO: 01090683005 | aishamahmoud980@gmail.com

profile

- I am Computer Science student at the Arab Academy for Science, Technology & Maritime Transport (AAST), currently entering the third year. Proficient in C, C++, python and Java, with solid understanding of object-oriented programming, algorithms, and data structures. Passionate about software development and eager to gain practical experience through a summer internship. Skilled in problem-solving and debugging. Quick learner, team-oriented, and enthusiastic about learning new technologies and contributing to real-world projects.
